<sup>4</sup> S. Con. Res. 21, as adjusted pursuant to section 207(f), assumed \$605 million in budget authority and \$48,639 million in outlays from emergency supplemental appropriations. Such emergency amounts are exempt from the enforcement of the budget resolution. Since current level totals exclude the emergency requirements enacted in P.L. 110–28 (see footnote 1), budget authority and outlay totals specified in the budget resolution also have been reduced by the amounts assumed for emergency supplemental appropriations for purposes of comparison.

<sup>5</sup> Section 207(c)(2)(E) of S. Con. Res. 21 assumed \$145,162 million in budget authority and \$65,754 million in outlays for overseas deployment and related activities. Pending action by the Senate Committee on Appropriations, the Senate Committee on the Budget has directed that these amounts be excluded from the budget resolution aggregates in the current level report.

## THE MATTHEW SHEPARD ACT OF 2007

Mr. SMITH. Mr. President, I wish to speak about the need for hate crimes legislation. Each Congress, Senator KENNEDY and I introduce hate crimes legislation that would add new categories to current hate crimes law, sending a signal that violence of any kind is unacceptable in our society. Likewise, each Congress I have come to the floor to highlight a separate hate crime that has occurred in our country.

On September 22, 2007, Matthew Shetima was walking through an alley in Farmington, NM, when he encountered three men. Shetima, a gay man, claims that Scott Thompson, 21, Jerry Paul, 40, and Craig Yazzie, 37, all from New Mexico, called him over as he walked by the men. According to the police report, the three men began to hit Shetima, all of them calling him derogatory names as they struck him. According to the police report, when he fell to the ground, at least one of the men asked him if he wanted to die as they continued to kick him. Shetima was then pulled into the hotel room

the three men were staying in, where the assault continued. Fortunately, Shetima was able to escape. The district attorney prosecuting the case is seeking sentencing enhancements for all three men under New Mexico's hate crime law.

I believe that the Government's first duty is to defend its citizens, to defend them against the harms that come out of hate. The Matthew Shepard Act is a symbol that can become substance. I believe that by passing this legislation and changing current law, we can change hearts and minds as well.

## MICHIGAN TECH'S TUITION OFFER

Mr. LEVIN. Mr. President, Michigan Technological University's recent decision to offer in State tuition to the children or spouse of anyone on active military duty, regardless of their State of residence, deserves our recognition and praise.

We are all deeply indebted to our men and women in uniform for their bravery and sacrifice. Michigan Tech is expressing thanks and showing support for the families of those serving in our

armed services in a way that will make a real difference.

While out-of-State students at Michigan Tech pay over \$21,000 for tuition, in State tuition is less than \$10,000 each year. This savings will be available to the families of the 1.3 million men and women who are on Active Duty in the Air Force, Army, Coast Guard, Marines, Navy, National Guard and Reserve, as well as the National Oceanic and Atmospheric Administration and United States Public Health Service Corps. We believe that Michigan Tech is the first college or university in the Nation to extend in State tuition to the families of all military personnel serving on Active Duty.

The idea developed after an applicant to a State university in Michigan received an admission offer but was denied in State tuition even though he graduated from a Michigan high school. His father was serving on Active Duty and had been stationed in Michigan but was moved out-of-State,
